THE VENTURA COUNTY MEDICAL RESOURCE FOUNDATION
presents the
Twenty-Eighth Annual

Leo Tauber, MD & David Fainer, MD Event

Since 1956, the Ventura County Medical Resource Foundation (VCMRF) has been a leader in recognizing the achievements and dedication of the county's medical doctors and health care professionals through the Leo Tauber, MD & David Fainer, MD Event. By acknowledging the work of health care professionals county-wide, VCMRF brings awareness of the exemplary work taking place every day in the health care community to help drive innovation in patient care and access to care for all residents, especially the county's underserved population.

VCMRF's Mission:

"To improve, in partnership with others,
access to needed health care for
the most vulnerable and underserved
residents of Ventura County."

Together We Make A Difference

The Children's Resource Program (CRP)

began 36 years ago with a simple concept, children should not live in pain. The CRP provides free, irreplaceable wellness to ensure access

and treatment to oral health and vision care services in every city throughout Ventura County. Even with insurance and public programs, there are over 100,000 children who need basic dental education and exams.

Working families that are already struggling to meet Ventura County's high costs of living, are forced to watch helplessly, as their children suffer, because they cannot afford to pay for the treatment.

Even children whose family income qualifies them for Medi-Cal, have unmet dental and vision needs because of the high fees and deductibles. Additionally, we are now providing treatment for low-income, vulnerable seniors.

We thank you for being here tonight and supporting VCMRF, by helping us to provide access to care for the families in our community who need it the most. Please use the blue cards at your table to donate to these vital programs.

You are part of a greater community

Union Bank® believes in the power of partnerships. That's why we partner with communities and organizations to make a positive difference in the places where we work and live. To us, building a strong community is the most valuable investment of all.

Union Bank is proud to sponsor The 28th Annual Tauber/Fainer, MD Community Awards.
